"It is the only place other than home that people understand Timmy and if he didn't go to InterAct, other than limited hours at college, he would be at home 24/7. It's lovely for me to see him smile when I pick him up from an activity and know he has been safe and understood." Parent

"He feels well-liked and included and can socialise with both genders. He is more chatty and feels he has more friends, leading to greater confidence and self-esteem." Parent

"InterAct taught me how to be a true friend to others" Young Person

"Just letting you know that my son hasn't stopped talking about his day out with InterAct yesterday. He said he had the best time". Parent
